

A hope and a future.

Dear SCC Community

We want to thank each member of our community Students, Parents, Teachers, Staff and our Board for their support during this difficult time. While many things are different in these times what hasn't changed is God's love for each one of us.

We do understand that many families are experiencing significant financial hardship at this time. We acknowledge that each family's circumstances are different so rather than offering a one size fits all solution to our financial support we want to partner with each family to offer a tailored approach to meet your specific circumstances.

We are committed to supporting our families in need whilst managing our responsibility to ensure the long-term viability of the College and retain the employment of our skilled and dedicated team of staff. Our goal has and continues to be that we do not lose a single community member through this season.

If your family is in need of assistance with financial support during this time we request you complete the following application for financial assistance and return it to financialsupport@sccollege.nsw.edu.au

Please be assured of our continued support and prayers for your family during this time.

Being a Blessing

We understand that some families are in a financial situation to be able to and would like to help other families with payment of school fees. If you would like to support this initiative, we are able to accept donations to our "Scholarship" fund which would be applied in its entirety to pay the school fees of other families who have been severely affected by Covid-19.

Please contact businessmanager@sccollege.nsw.edu.au if you would like further information on this initiative.

Luke 15:3-7 New International Version (NIV)

³Then Jesus told them this parable: ⁴"Suppose one of you has a hundred sheep and loses one of them. Doesn't he leave the ninety-nine in the open country and go after the lost sheep until he finds it? ⁵And when he finds it, he joyfully puts it on his shoulders ⁶and goes home. Then he calls his friends and neighbours together and says, 'Rejoice with me; I have found my lost sheep.'

Covid-19 Financial Support

Covid-19 financial hardship support is provided to help those families that are unable to meet their fee obligations due to job loss, business closure or a significant reduction in income. This financial support is to provide short term assistance in regard to 2020 Fees.
